

Policy Decision: Regarding No-Cost-Extension of Tenure for INSPIRE Faculty Scheme

The tenure of INSPIRE faculty is for five years which is not extendable any further. However, to utilize the unspent available balance under 'Research Grant', the tenure of any INSPIRE Faculty (employed/non-employed) would be considered for extension up to 12 months from the end date of five-year tenure. But this extension would be without any 'Award Amount' for non-employed INSPIRE Faculty candidate.

Specific request to consider such case shall be sent at least three months in-advance to consider at the DST to:
